## **Welcome to the Grenoside Christmas Tree Trail2021!**

After the phenomenal success of last year's Trail we've decided to do it again, and incorporate the Christmas Tree Festival as well.

The programme lists all the trees, letting you know where they are and which category they fall into: family, business or local group.

You can plan your route to view the trees from any starting point, but over the launch weekend we are selling programmes and refreshments at Grenoside Scout and Guide HQ, the Reading Room and St. Mark's Church (also the home of the Grenoside Christmas Tree Festival!), so you may want to make a pit stop along the way.

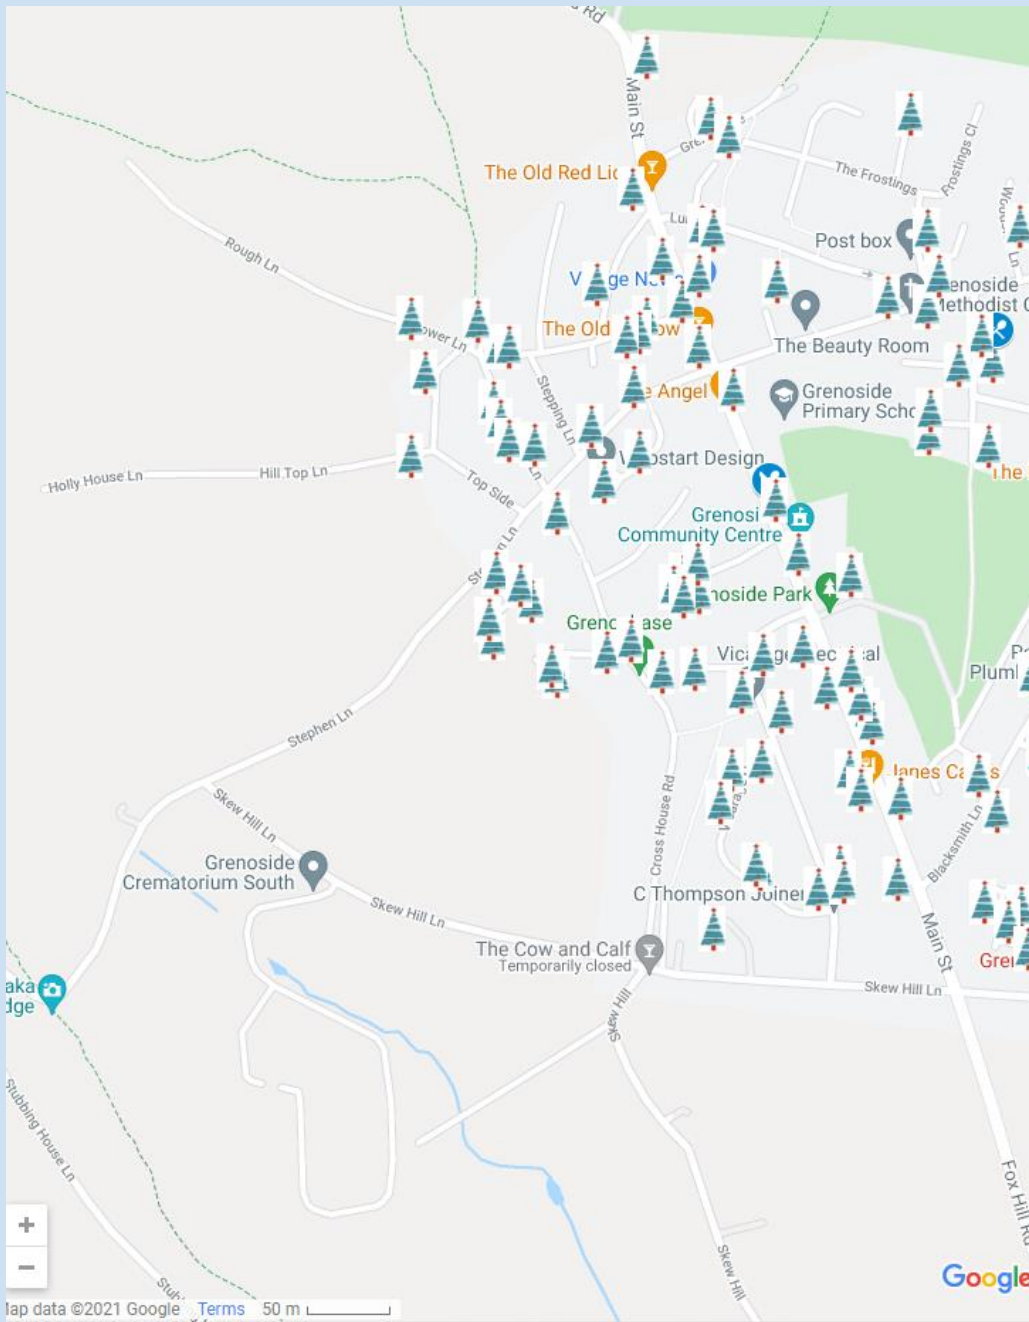

The programme has space against each listing to tick off trees seen or mark a particular favourite before coming to a decision - with over 130 trees to choose from that won't be easy.

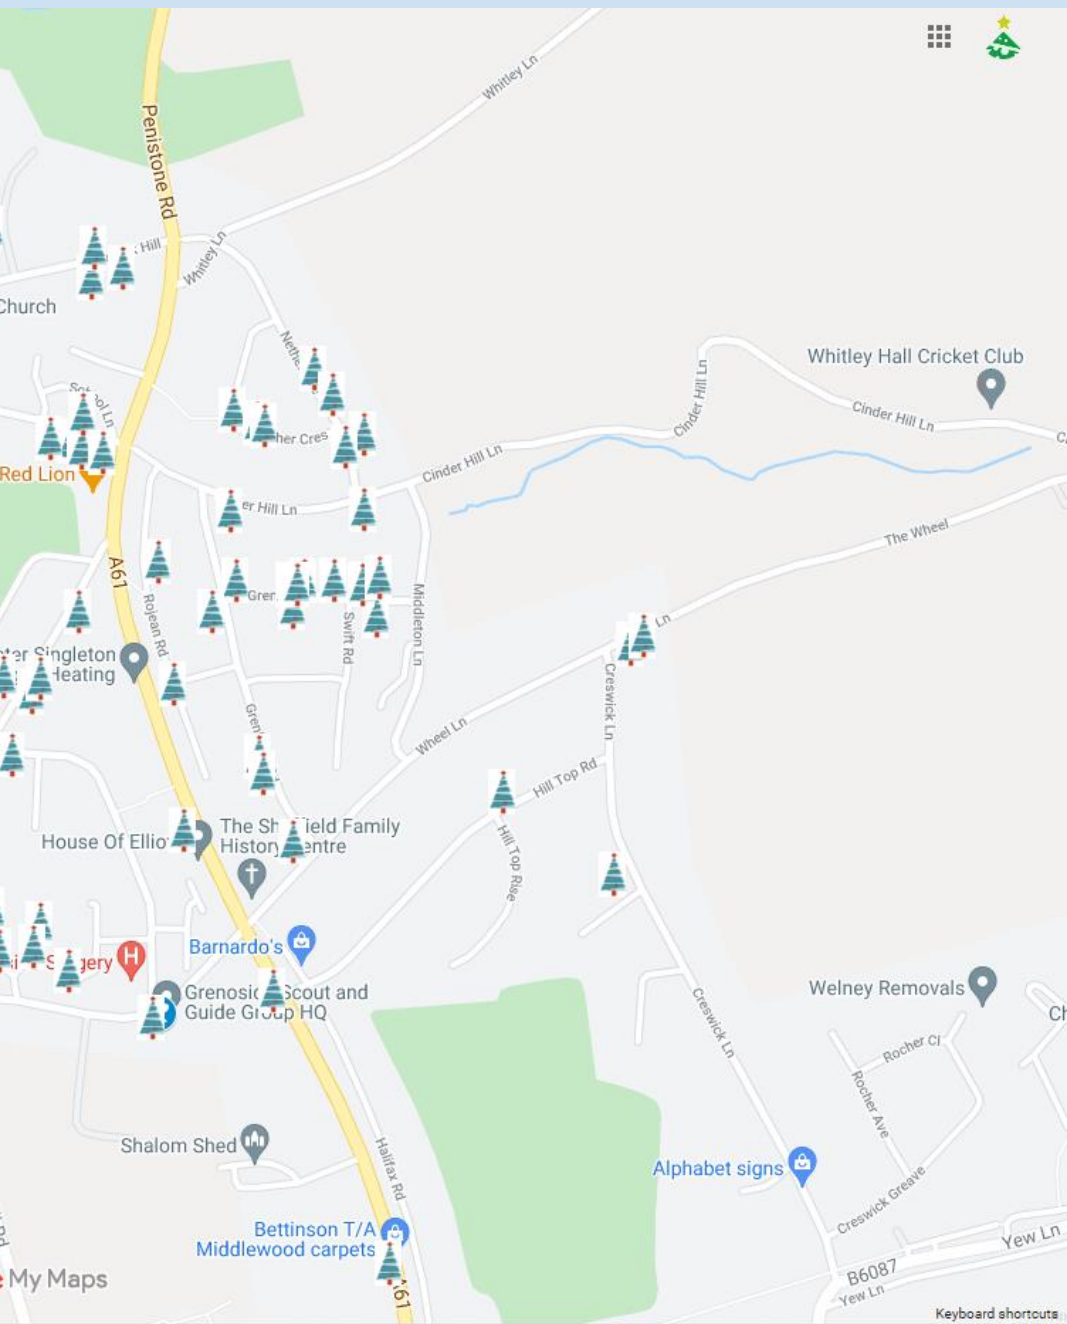

The main aim of the Christmas Tree Trail is to brighten up what will be another strange Christmas period, but we're also hoping to raise money for two charities - Vaccineaid and S6 Foodbank.

**Remember - wrap up warm, please abide by whatever social distancing rules are applicable at the time and enjoy the lights!**
