## Welcome to the Grenoside Christmas Tree Trail 2022!

After the phenomenal success of last year's Trail we've decided to do it again and incorporate the Christmas Tree Festival.

The programme lists all the trees, letting you know where they are and which category they fall into: family, business or local group.

You can plan your route to view the trees from any starting point, but over the launch weekend we are selling programmes and refreshments at Grenoside Scout and Guide HQ and St. Mark's Church (also the home of the Grenoside Christmas Tree Festival), so you may want to make a pit stop along the way.

The programme has space against each listing to tick off trees seen or mark a particular favourite before coming to a decision - with over 75 trees to choose from that won't be easy.

The main aim of the Christmas Tree Trail is to brighten up Christmas, but we're also raising money for two charities - Friends of Grenoside Park and S6 Foodbank.

**Remember - wrap up warm, watch for traffic and enjoy the lights!**
